

1950.0700

HighLine | Custom

The set consists of the Custom base, rail, heightener set and screws. The set must be assembled before installation.

Glue your own floor tile to the base, to complete the solution.

The Custom solution is placed directly inside the drain unit. The rail is specially designed to provide a snug fit.

Special glue for adhesion of your own tile and 10 x 6-mm spacers to use for installation are also included.

HighLine products cannot be used with 1004-drain units with side outlet.
